

JENNIFER

Hello?

CUT TO:

INT. MELISSA'S GUEST ROOM - DAY

Melissa talks on the phone. She just woke up, she's still in the twin bed. Laptop in on the floor on top of the cutting board. She wears pajamas and her hair is messy.

MELISSA

Jeeen! Oh my God! I need to talk to you!!!

JENNIFER (O.S.)

Heeeyy! About what!?

MELISSA

Jen! I'm in love!!!

CUT TO:

INT. JENNIFER'S BEDROOM - DAY

JENNIFER

What? With Martin?

MELISSA (O.S.)

Nooo, not him!

JENNIFER

How? If you've spent weeks trapped at home playing that game without seeing the sunlight and with no human contact?

CUT TO:

INT. MELISSA'S GUEST ROOM - DAY

MELISSA

He's in the game!!! He's a player!

CUT TO:

INT. JENNIFER'S BEDROOM - DAY

JENNIFER

In the what?? Oh Jesus...Ok you know what? Get out of that cave and let's meet at Adele's in 20 minutes ok?

CUT TO:

INT. ADELE'S COFFEE - DAY

Jennifer is seated at a table waiting for Melissa to come. Melissa gets in the coffee shop walking fast and excited, she sits at the table.

MELISSA
(excited)
Jen! Oh my God...

JENNIFER
(chuckles)
You're out of your mind!

Waitress approaches at the table.

WAITRESS
Hi girls, what can I get for you today?

JENNIFER
Two coffees, thank you

CUT TO:

Melissa is staring at the bar with a light smile.

Melissa P.O.V.: The bar becomes like a video game, with health and score icons displayed.

A funny childlike music is playing.

CUT TO:

Jennifer looks at Melissa wondering.

JENNIFER
(yells)
Hey!

Melissa is startled.

MELISSA
Huh? Oh yeah! sorry (laughs)

Jennifer shakes her head, rolls her eyes.

JENNIFER
So what's the story?

Melissa smiles widely.

MELISSA
Ok, So I've been talking to this guy online for a while, and since
(MORE)

MELISSA (CONT'D)

we met we always play together and stuff and he's SO sweet, and smart, and funny, (sighs) he's just perfect!

JENNIFER

But who is he? You don't even know him!

MELISSA

Yes I know him, we play together!

JENNIFER

Yeah b-

MELISSA

(over-excited)

Hang on!!! I know his personality, he's such a gentleman, and we've been having the best dates of my life ever! When people date, they go to a restaurant, to the movies, stuff like that, we do much better! We fly together over purple skies and shining flying fishes, we fly together through the polar lights! Did you ever do that in your life? You know how romantic that is? Can you imagine a date like that??

JENNIFER

(chuckles)

Ok... But what if he's ugly? Try to make sure you like him before falling in love (laughs)

MELISSA

Problem solved! He e-mailed me a pic the other day and he's so cute! Look

Melissa takes her phone from her bag and shows the pic to Jennifer.

Jennifer P.O.V.: The picture shows a full length view of Lisa that looks like a cute boy in his early-twenties, with fine features, no facial hair, wearing a baseball cap, baggy pants and a baggy shirt.

MELISSA

Isn't he cute? Come on, you know he is!

JENNIFER

Yes he is cute, but...

MELISSA

But what?! No "but" honey, I'm in love!

JENNIFER

Ok and what about Martin?

MELISSA

Well I don't know, I don't want to think about it now, things are not even going so well between us...I'm just happy and don't you try and ruin it, girl! (says jokingly and chuckles)

JENNIFER

(chuckles)

Oh know I'm not trying to ruin it, this is too funny to me...and, what's his voice like? Did you guys talk on the phone?

MELISSA

Nooo I can't! I'm too shy! I thought about asking him but every time I think about it, my heart starts pounding! I can't do it!

JENNIFER

(laughs)

You're insane...

MELISSA

Yeah and that's why we're friends.

Jennifer makes a scoffing face.

CUT TO:

INT. MELISSA'S GUEST ROOM - EVENING

Melissa plays lying on the bed. Martin stands at the door of the room.

Low volume RPG video game sound effects on background.

MARTIN

Hey baby, I was wondering, did you ever hear from the job? Cause you applied almost three moths ago, they should have replied by now.
